

Section 2. „Docker Hub Introduction”

Links:

<https://hub.docker.com>

Commands:

```
$ docker image ls pythonincontainers/simple-flask

$ docker login

$ docker logout

$ docker build -t pythonincontainers/flask-hello:1.0 .

$ docker tag pythonincontainers/flask-hello:1.0
pythonincontainers/flask-hello:latest

$ docker push pythonincontainers/flask-hello

$ docker build -t pythonincontainers/flask-hello:2.0 .

$ docker tag pythonincontainers/flask-hello:2.0
pythonincontainers/flask-hello:latest

$ docker push pythonincontainers/flask-hello

$ docker run -d -p 5001:5000 pythonincontainers/flask-hello:1.0

$ curl localhost:5001

$ docker run -d -p 5002:5000 pythonincontainers/flask-hello:2.0
```
